MEMORANDUM

TO:

All Tribal Employees

FROM:

Michele Stacona, Secretary-Treasurer/CEO

DATE:

August 11, 2020

RE:

COVID-19 Organization Closure

Please stay home during the organization closure.

In response to the COVID-19 pandemic and per the August 7, 2020 recommendation of the COVID team the Tribal Council has approved another 1-week shut down. Re-opening date will be August 17, 2020. The following will be imposed.

- 1. Tribal government offices will be closed from August 11 through August 16, 2020. This does not apply to essential services typically defined as Police Department, Fire & Safety, Emergency Medical Technicians, Public Utilities, etc. Administration leave will be allowed for tribal government employees (all employee classifications apply) during this shut down. If you typically don't work an 80 hour pay period, your pay will be determined based on recent work hour history. More information will be provided by Finance.
- 2. Additional closures to the government will be assessed each week. The Tribal Government will need to evaluate current economic conditions and cash flows for future decisions regarding use of Administrative leave.
- 3. Hazard pay has been authorized in accordance with PER-905: COVID Hazard Pay.
- 4. An employee may elect to be furloughed per PER-704. Furloughed employees must have approval from the GM or Director. Unemployment benefits DO NOT require a one week waiting period. Furloughed employees will not be eligible for Administration leave.
- 5. Telework will continue if the job description can support working remotely. Employees with underlying conditions ¹ and over 60 years of age are encouraged to take this option. Telework

¹ Underlying medical conditions that may increase the risk of serious COVID-19 for individuals of any age may include the following: Blood disorders, Chronic kidney disease, Chronic liver disease, Compromised immune system, Current or recent pregnancy in the last two weeks, Endocrine disorders, Metabolic disorders, Heart disease, Lung disease, and Neurological and neurologic and neurodevelopment conditions.
